IMPORTANT INFORMATION ABOUT INFLATABLES AND DUNK TANK

Weather Notice:

Inflatables are not intended to be used in severe weather. The best way to keep your guests safe is to be prepared for inclement weather and have an evacuation plan or plan B.

* *Chief Rental reserves the right to cancel the delivery if they feel there is a danger to the participants.*

Please monitor the weather conditions prior to your event – we can always reschedule. Once the item is delivered there will be no refunds.

You should evacuate inflatable if:

- There is lightning or thunder in the area
- Dark clouds on the horizon
- A severe weather alert
- The wind is over 10 miles an hour
- Leaves, and small branches begin to fall off trees
- Inflatable begins to wobble or sway
- Heavy rain – Inflatables become very slippery in rain
- Hail, sleet, snow or ice

Rules:

- **DO NOT MOVE THE INFLATABLE ONCE IT IS SET UP. YOU WILL BE CHARGED A \$150 FINE IF THE INFLATABLE IS TAMPERED WITH OR MOVED DURING YOUR RENTAL PERIOD.**
- **DO NOT ADD WATER TO INFLATABLES THAT ARE NOT SPECIFIED AS “WET” – WATER WILL DEGRADE THE INFLATABLE AND WILL MAKE THE UNIT DANGEROUS FOR USERS.**
- Prohibit excessive roughhousing by occupants.
- Adult supervision required at all times.
- Observe maximum capacity rules posted on the side of each inflatable.
- Remove shoes before entering ride.
- Do not inflate in high winds, rain or lightning. If inflated – PLEASE unplug and allow to DEFLATE until storm has passed.
- Deflate after use and DO NOT leave any standing water in “wet” units or Dunk Tank
- You will be required to sign a Liability Release before the reservation can be completed

Rental Period:

The rental period of each inflatable or dunk tank is 6-8 hours. If your event time is after 1:00 pm – your unit will not be picked up until the following morning. We ask that, for safety purposes, you unplug the fan(s) and allow the unit to deflate in place. If you have rented a wet unit or dunk tank it is very important that you drain all standing water. DO NOT LEAVE UNATTENDED WITH WATER IN UNIT.

Public Venues (parks, HOA's, etc):

If you plan to set up the Inflatable in a public park or venue, it is your responsibility to get permission – in writing, and provide that document to Chief Rental one week prior to delivery. We will **NOT** deliver

without written permission. Some parks and venues have additional charges for setting up – the customer is responsible for any additional charges that incur by a third party. Chief Rental will provide a Certificate of Insurance (COI) to the park/venue at no additional charge if one is required.

Delivery/Pick up fees:

Chief Rental charges delivery fees based on the location and distance of the event from our location in Hermitage, TN. Minimum rate is \$40. We deliver within a 50 mile radius of Nashville. We charge \$2.00 per mile. If deliveries/pick up's are not between regular business hours of Monday-Saturday 9:00AM – 5:00PM – an overtime rate will be applied.
